

## **Immunisation Policy – No Jab, No Play**

### **(Victorian State Government requirements)**

Under the No Jab No Play legislation, an Immunisation History Statement from the Australian Immunisation Register (AIR) is the only documentation accepted by early childhood education and care services for the purposes of confirming a child's enrolment in their service. Documents produced by GPs or other immunisation providers are not acceptable as proof of immunisation.

All parents need to provide Immunisation History Statements to early childhood services at regular intervals – not only on enrolment. This provides additional prompts to parents to ensure their child's immunisation is up-to-date for their age.

#### **At Davis Street Kindergarten:**

For enrolment to be confirmed for a child at our kindergarten, parents and carers must provide an Immunisation History Statement from the Australian Immunisation Register (AIR) for their child. This statement must show that their child is;

- Up to date with vaccinations for their age OR
- Is on a recognised vaccine catch-up schedule OR
- Has a medical condition preventing them from being fully immunised.

At Davis Street Kindergarten enrolments will not be confirmed until this documentation has been received. To maintain your child's place in the program throughout the year, updated AIR statements must be provided to the kindergarten upon request.

Parents and carers can access a copy of their child's **Immunisation History Statement** from:

- their mygov account OR
- phone the ACIR on 1800 653 809 OR
- email [acir@medicareaustralia.gov.au](mailto:acir@medicareaustralia.gov.au) OR
- visit Medicare Australia online
- visit a Medicare or Centrelink office.
